### **Bar-Z Clean-up Crew – June 2019**

A huge thank you goes out to the Bar-Z clean-up crew organized by Patrolman Mike Simonini. The crew worked hard on the weekend of June 8<sup>th</sup> to make the camp safe for the season. They cut back brush, eliminated poison oak and limbed up a lot of trees in camp.

It was a great turnout of 17 guys for the clean-up weekend. The BBQ was a success and all that attended had a great time. It's a great way for new members to get to know others in the club and swap hunting stories. GR provided (7) Tri Tip and (30) ears of corns and Kenn's wife made homemade potato salad for the group.

Many thanks to Mike Simonini, Austin Simonini, Kenn Lipke, Tyler Lipke, Bret Beaudreau, Pat Hutton, Tom Aldon, Bob Disco, Ron Aquila, Greg Matthews. Kyle Matthews, Gary Fontaine, Jim Polmanteer, Pat Abernathy, Mike Abernathy, Dan Rogers, and Bill Haynes.

Everyone who helped out was able to get a free season trailer pass. If interested in attending next year send an email or call the office.

## Family Weekend –June 2019 (8<sup>th</sup> Annual)

Special thanks to all those who led the various activities, including Buck Buchanan, Dan Verlinden, Colton Finn, Landon Finn and Lydia Finn. We couldn't have done it without you!!!

The weather was perfect for a busy weekend of archery instruction, shooting at the range, survival training, swimming, fishing, canoeing and making survival bracelets.

The pot-luck dinner Saturday evening is getting big and better every year. Everyone brought their favorite dish and shared with the group. There was a definite "wild game" theme to the dinner and there was no shortage of delicious options to try.

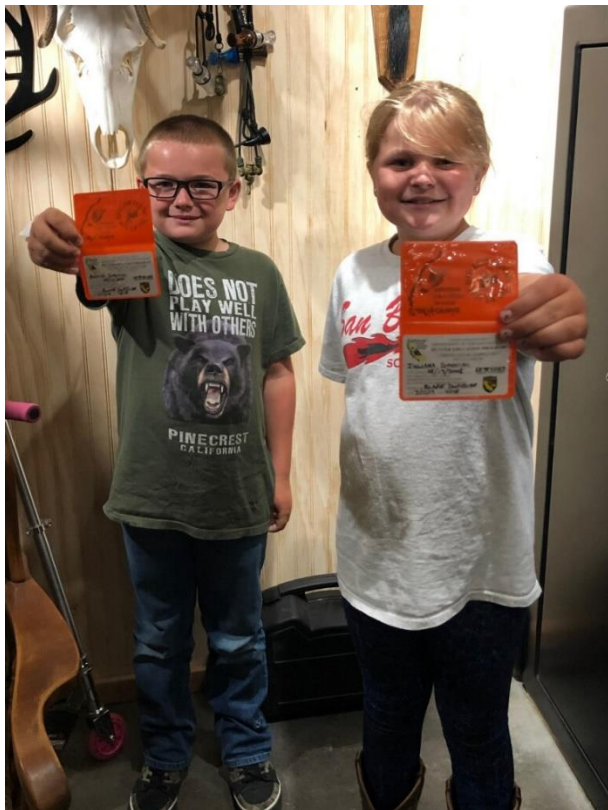

The grand finale for Saturday evening was our kid's raffle prize giveaway draw. If your family wants to participate and/or help with next year's event let us know and we'll get you registered.

Extreme Fire Danger

Since the fire danger will be extremely high this season due to all of the rain, we will have vehicle restrictions due to high grass on some roads. We will post them and expect everyone to follow the rules.

- We cannot afford to have any accidental fires.
- No campfires of any type will be allowed unless there has been at least a full day of rain. Please check with a patrolman.
- Absolutely NO SMOKING OUTSIDE OF CAMP!!!
- It is extremely important that we are very careful when on the ranch and obey the club rules. WATCH YOUR SPEED!
- NO TRAILERS are to be left for the season in the center camping area and around the Bar-Z lake. If you have questions please ask a patrolman.
- You can leave your trailer at Bar-Z during deer season in the back by the corral but it MUST be off the ranch when the season is over. (General Deer, Bear, Turkey and Late Season Archery or Muzzle Loader)

Passing of George Bonanno

Many of you may already know that our dear friend George Bonanno recently passed away in July. George and his wife Betty were long time members of Golden Ram from the time they joined in the early 80's.

George served his country on a submarine in the navy during the war and then was a San Francisco police officer for a 30-year career. As everyone knew he was an ardent SF Giants fan. In his retirement George enjoyed hunting and cooking and many members were the recipients of some of George's great meals while in hunt camp.

We would just like to say thank you and we will never forget all the effort and time that George and his wife Betty spent supporting Golden Ram.

## HELP STOP TRESPASSING & UNAUTHORIZED GUESTS:

Recently we have had significant problems with trespassing and unauthorized guests on Golden Ram properties. Trespassers very quickly lead to our second problem which is poaching. Trespassers are stealing from our members. Our members have invested their hard-earned money so they have the privilege of hunting, fishing and camping on Golden Ram properties. Anyone who hasn't paid a membership is stealing from you, the member.

Common lies from trespassers & unauthorized guests	Here's the truth
<ul style="list-style-type: none"> <li>• He's just a buddy of mine</li> <li>• He's my brother in-law</li> <li>• He's my nephew</li> </ul>	<ul style="list-style-type: none"> <li>• Family and non-family memberships do not include guest privileges</li> </ul>
<ul style="list-style-type: none"> <li>• I just wanted a little company</li> </ul>	<ul style="list-style-type: none"> <li>• Unauthorized guests are trespassers and poachers</li> </ul>
<ul style="list-style-type: none"> <li>• He's my son but he's 28 years old</li> </ul>	<ul style="list-style-type: none"> <li>• Family memberships include spouses and children under age 21 living at home who are students.</li> <li>• An adult child cannot hunt under a family membership</li> </ul>
<ul style="list-style-type: none"> <li>• I forgot to make a reservation and to sign-in</li> </ul>	<ul style="list-style-type: none"> <li>• Failing to make a reservation or sign in is trespassing.</li> </ul>
<ul style="list-style-type: none"> <li>• He used to be a member...</li> </ul>	<ul style="list-style-type: none"> <li>• So what? He isn't a member now!!</li> <li>• <u>Any member that has been cancelled due to nonpayment cannot be taken as guest by another member.</u> Once you have been cancelled you are no longer allowed on Golden Ram properties and will be treated as a trespasser.</li> </ul>

Always show your membership card to Patrolman and other members. If another member asks to see your membership card don't be offended. Be glad he cares enough to make sure your membership is protected from others who may try to steal the benefits of a legitimate membership from you. Ask each other to see a membership ID card.
