

Rifle Deer Season Opening Weekend Ballot

This ballot card is for OPENING WEEKEND HUNTS ONLY. YOU MAY CHECK WITH THE OFFICE ON OR AFTER July 31st for the status of your ballot. If you plan on hunting during the archery season, or if you want to hunt more than one of the A, B & D Zones, DO NOT SUBMIT A BALLOT. Phone reservations for Archery Season begin on June 25. Any remaining opening weekend slots for the rifle season can be secured by phone starting on August 3st.

***Important Reminders

- Ballot participants drawn for the openers in any zone MAY HUNT ONLY IN THE ZONE THEY DREW FOR THE OPENER.
- Ballots can be submitted for groups of Gram members hunting together, just be sure that only one ballot is submitted for the entire group, as a double entry will void the ballot for everyone listed on those ballots.
