Long Time Patrolman Julio Retires:

Many of you may already know that our great friend Julio Cerquettini has decided to hang up his hunting boots at the age of 87. Julio and sons Jim and John have been Golden Ram members since 1976. With 43 years of membership under his belt Julio has been one of the club's most experienced Patrolman. Julio has lived in South San Francisco his entire life and represents the Italian "cacciatore" (hunter) as a true gentleman in every respect.

For many years Julio and sons have been camp Patroman at the Tyson-O'Ferrall ranch. They would pack up their truck and leave their home in SSF to make the trip to Covelo on Friday before opening day. They would set up before any members had arrived. They were always eager to answer new members questions and give additional information to anyone who asked for help.

We are sure that anyone who hunted Tyson-O'Ferrall knows exactly where their patrol camp was in Delmonico Place. In addition to sharing great stories Julio always had a glass of wine to share after the hunt. Over the years Julio hunted deer on the Baxter, Whiticker, Tyson/O'Farrell, Diamond H, Hedgpath and a couple other small ranches.

We're hoping that Julio manages to escape retirement for a weekend or two where he supervises from camp??? Either way we want to say thank you to Julio for all the effort and time that he spent supporting Golden Ram.

Julio is what makes deer camp the kind of place we all love!!!!

The following club rules apply each and every year, are not flexible, and breaking any of them will result in expulsion from the club with no warning and no refund

- 1) **No trespassing on neighboring ranches.**
- 2) **Driving off established roads for any reason, Extreme fire danger this year!**
- 3) **Failure to report any deer or hog kill, taking more game than your membership limit, or killing a pig out of Golden Ram season.**
- 4) **Bringing an unauthorized guest on Golden Ram property.**
- 5) Careless gun handling.
- 6) Littering of any kind. Be sure your camp is spotless when you exit a ranch!
- 7) Leaving campers or trailers in a camp after you leave. Our ranches are not RV storage units. and you must take your rigs with you each time you end a hunt. Exception: Storage at Bar Z with a trailer registration permit. Check with the Office, Patrol, or Camp Hosts.
- 8) Alcohol and gun powder do not mix. Do not let us catch you intoxicated on the field or driving on a ranch because it will only happen once.
- 9) If a ranch road is too wet to drive on, then walk. Anyone caught using tire chains on a ranch road will have their membership pulled on the spot.
- 10) Reservations are required during big game seasons. No drop-ins.
- 11) Do not use the sign in booths as a sounding board for petty whining. If you have a complaint, call the office or e-mail us.
- 12) All Members must sign in before hunting and sign out upon exiting the ranch.

Fire Season Cautions

A picture of every big game animal harvested must be sent to: info@goldenramhunting.com

- a. Open camp fires are no longer allowed on Golden Ram Ranches.
- b. When using your B.B.Q. pits. always pour water on the ashes and the area directly under the B.B.Q. and keep at least 5 feet of clearance around it (i.e., no leaves or twigs). Beware of trees and branches in proximity.
- c. When parking your vehicle 10 begin a hunt, use extreme care in deciding where you will pull off the road. Parking in tall weeds can start a fire. You don't want to be the person burns a ranch by being stupid.
- d. Always carry a shovel and at least five gallons of water (and/or a fire extinguisher) in your vehicle. You Do want to be the person who saves a ranch by being alert and prepared.
- e. Smoking allowed in vehicles only.

Hunter courtesy and care of our ranches

- 13) **No vehicle traffic on ranch roads the day before the opener on any ranch!**
- 14) Carry biodegradable toilet paper with you in-the field. If you must use a canyon trail as a restroom, use some common sense and move well off the trail where you can take steps to bury your paper etc. with leaves and dirt.
- 15) Leave outhouses as you would like to find them. Remember to use the Lime in the outhouse buckets. Alert Patrol if the bucket is empty.
- 16) Always use the outhouses when in Camp. Do not use the camp area as your restroom.
- 17) Do not sight your rifles in on the ranches. Remember, the range at Hedgpeth is closed during all big game seasons, and there is no varmint hunting allowed on any ranches during any big game season. *Exceptions: Predators are/air game during our hunting seasons).* If you want to plink. Please do it at a range at home.
- 18) Dogs are not allowed in the field during any" big game season unless hunting Quail. Be sure your dog has a scarf, jacket, or other visual ID to allow hunters to distinguish them from Coyotes. Otherwise, keep your dogs in camp under control, and on a leash at all times. Dogs are not to be left alone in vehicles in the field.
- 19) If you wound any big game. come back to camp and notify Patrol personally or leave a note. Only then may you take your dog into the field to track the animal. **Nick will personally' verify and monitor use of dogs in the field.**
- 20) Most of the ranchers want us to close all gates; others want us to leave them as we find them. Refer to individual ranch maps to be sure.
- 21) We allow ATVs on all of our big game ranches except Cholame. Side-by-Sides are OK on all ranches.

More common sense ...

- 1) Do not let teenagers drive any vehicle or ATV unless they are 18 or older and have a valid Driver's License. Ranch roads can be dangerous and insurance does not cover drivers under age 18.
- 2) No loaded firearms in camp. **Absolutely NEVER!**
- 3) Do not drive or park in tall, dry grass. It is a huge fire hazard. Park your vehicle on the side of the road leaving enough room for others to drive by.
- 4) Be courteous to your fellow campers. No late night parties. Quiet time on all ranches starts at 10:00 p.m. If you arrive in camp after 10:00 p.m., please be as quiet as possible setting up your camp. If you come back late with game, same courtesies applies: Please be as quiet as possible in the skinning shack and in camp.

Extreme Fire Danger

Since the fire danger will be extremely high this season due to all of the rain, we will have vehicle restrictions due to high grass on some roads. We will post them and expect everyone to follow the rules.

- We cannot afford to have any accidental fires.
- No campfires of any type will be allowed unless there has been at least a full day of rain. Please check with a patrolman.
- Absolutely NO SMOKING OUTSIDE OF CAMP!!!
- It is extremely important that we are very careful when on the ranch and obey the club rules. WATCH YOUR SPEED!
- NO TRAILERS are to be left for the season in the center camping area
- and around the Bar-Z lake. If you have questions please ask a patrolman.
- You can leave your trailer at Bar-Z during deer season if you pay a trailer registration fee but it MUST be off the ranch when the season is over. (General Deer, Bear, Turkey and Late Season Archery or Muzzle Loader)

We encourage our Golden Ram membership to support the Fregoso Outdoor Foundation. If you know of a veteran who has an interest in the outdoors please visit the veteran center link below to apply.

Mentoring Program:

Are you a Golden Ram member who wants to share some of your hunting experience?? We want to start a mentoring program that connects new hunters and new members with members who are willing to give a little advice. Don't worry, we're not expecting anyone to give away any hard-earned secret locations. It may just end up being a conversation or email exchange that takes place. That's fine. But it could be more!

For all you experienced members think of the upside if your current hunting partner can't hunt. Perhaps your telephone call goes well and you decide to take an inexperienced hunter under your wing in the field. Wouldn't it be nice to have an enthusiastic, young hunter to send down to the bottom of a ravine to drag that buck or pig up to your ATV?

If you're interested in being a mentor or finding a mentor, call the office or email us for more information.

HELP STOP TRESPASSING & UNAUTHORIZED GUESTS:

Recently we have had significant problems with trespassing and unauthorized guests on Golden Ram properties. Trespassers very quickly lead to our second problem which is poaching. Trespassers are stealing from our members. Our members have invested their hard-earned money so that they have the privilege of hunting, fishing and camping on Golden Ram properties. Anyone who hasn't paid a membership is stealing from you, the member.

Common lies from trespassers & unauthorized guests	Here's the truth
<ul style="list-style-type: none"> • He's just a buddy of mine • He's my brother in-law • He's my nephew 	<ul style="list-style-type: none"> • Family and non-family memberships do not include guest privileges
<ul style="list-style-type: none"> • I just wanted a little company 	<ul style="list-style-type: none"> • Unauthorized guests are trespassers and poachers
<ul style="list-style-type: none"> • He's my son but he's 28 years old 	<ul style="list-style-type: none"> • Family memberships include spouses and children under age 21 living at home who are students. • An adult child cannot hunt under a family membership
<ul style="list-style-type: none"> • I forgot to make a reservation and to sign-in 	<ul style="list-style-type: none"> • Failing to make a reservation or sign in is trespassing.
<ul style="list-style-type: none"> • He used to be a member... 	<ul style="list-style-type: none"> • So what? He isn't a member now!! • <u>Any member that has been cancelled due to nonpayment cannot be taken as guest by another member.</u> Once you have been cancelled you are no longer allowed on Golden Ram properties and will be treated as a trespasser.

Always show your membership card to Patrolman and other members. If another member asks to see your membership card don't be offended. Be glad he cares enough to make sure your membership is protected from others who may try to steal the benefits for a legitimate membership from you. Ask each other to see a membership ID card.
